- 2.8**
- | | |
|------------------------|-------------------------|
| a dermatologist | f photosensitive |
| b domain | g rash |
| c reaction | h texture |
| d blister | i pigmentation |
| e bleach | j deteriorating |

2.11 Students may suggest parallel sentences similar to the following (sentence **a** is completed as an example):

b Men are not spared by the beauty industry, targeting them as much as women, exposing them to unrealistic body images, pairing financial success with the perfect body.

c Adbusters spreads awareness about the beauty industry by creating spoof ads, organising events and writing articles in their magazine and on their website.

d Dove has received criticism for their campaign, for airbrushing their full-figured models, including no large women, and for showing their models in their underwear.

2.12 Students may write correlative comparative sentences similar to those given below, which may be given to students as examples (sentence **a** is completed as an example):

b The more popular beauty pageants become in West Africa, the worse the weight problems, such as anorexia, become in these countries.

c The more advertisements are banned for sexual content, the greater the attention they receive.

d The more Bollywood stars promote skin-whitening cream, the more Indians will suffer from the side-effects of these creams.

e The more parents talk to their young children about the portrayal of ‘beauty’ in the media, the more likely they are to have a stronger self-esteem.

f The more new innovations in beauty products, the more women are likely to feel they need to keep up with these trends to look beautiful.

g The more awareness campaigns show anorexic people to shock viewers, the more this stimulates anorexic behaviour in patients with anorexia.

2.20 Students may suggest the following words and phrases to complete the sentences, based on information from Text 6.6.

a Isabelle Caro worked as a model.

b When she posed for Nolita in 2007, she weighed about 60 pounds.

c The Nolita campaign shocked many people because it showed Isabelle Caro in an emaciated condition.

d Caro decided to participate in the campaign because she wanted to warn girls about the dangers of dieting and the influence of fashion.

e Fabiola De Clerq felt that the Nolita campaign was too crude.

f Isabelle Caro’s TV career included working as a reality show judge and as an actress.

g Isabelle’s mother kept her out of school because she wanted to protect her from picking up an illness from other children.

h During her self-imposed diets, Isabelle would lapse into a coma and become delirious.

i After talking to a psychologist, Isabelle moved to Marseille to break away from her parents.

2.21

Nouns	Verbs
